

## 110th Congress Second Session • 2008

# Congressional Scorecard

American Federation of State, County and  
Municipal Employees, AFL-CIO

### How to Judge a Member's Voting Record

AFSCME selects a few roll-call votes from the hundreds cast by members of Congress every session. In choosing these votes, AFSCME attempts to fairly represent a lawmaker's position on issues determined to be important to AFSCME members — first and foremost as workers, but also as citizens and union brothers and sisters.

This voting scorecard is one of the key factors used in making judgments on AFSCME campaign support, endorsements or contributions from PEOPLE — AFSCME's Political Action Committee, or PAC. Other important factors often include the member's official leadership position, chairmanship or seniority on important committees, leadership in a state's congressional delegation, and accessibility and responsiveness to AFSCME's lobbying efforts.

Visit AFSCME's website at [www.afscme.org](http://www.afscme.org) to obtain *AFSCME e-News*, weekly reports, letters to congressional members and votes. Questions concerning the selection of the votes or other aspects of a member's record are welcome. Write to AFSCME Department of Legislation, 1625 L Street, NW, Washington, DC 20036-5687, or call (800) 732-8120.

# 2007 House Vote Descriptions

## 1. Increasing Child Health Care Coverage

**AFSCME Position: Yes**

The House failed to override President Bush's veto of legislation to renew the State Children's Health Insurance Program (SCHIP) and expand coverage to an additional 4 million low-income children who lack health insurance.

### House Vote Number 22

AFSCME supported the veto override, which failed in the House by a vote of 260-152 on Jan. 23, 2008. (A veto override requires a 2/3 majority.)

## 2. Rejecting Harmful Budget Cuts

**AFSCME Position: Yes**

The House approved the fiscal year 2009 budget plan (H. Con. Res. 312), which rejected harmful budget cuts and added additional funding for important domestic programs such as education, Medicaid and Medicare. The resolution also provided additional funds to increase the Trade Adjustment Assistance (TAA) program, which provides assistance to workers dislocated by trade, and expand eligibility for unemployment insurance.

### House Vote Number 141

AFSCME supported the resolution, which the House passed by a vote of 212-207 on March 13, 2008.

## 3. Preventing Harmful Trade Agreements

**AFSCME Position: Yes**

The House approved a resolution to suspend "Fast Track" requirements for consideration of the U.S.-Colombia Free Trade Agreement (FTA). Colombia has done little to alleviate violence against union members. Since 1986, more than 2,500 trade union members have been killed.

### House Vote Number 181

AFSCME supported the resolution, which the House passed by a vote of 224-195 on April 10, 2008.

## 4. Protecting Medicaid

**AFSCME Position: Yes**

The House passed the Protecting the Medicaid Safety Net Act of 2008 (H.R. 5613), which blocked implementation of seven harmful rules issued by the Bush administration designed to cut federal Medicaid payments to states. The rules would have cut funding to states of up to \$50 billion over five years.

### House Vote Number 209

AFSCME supported the bill, which the House passed by a vote of 349-62 on April 23, 2008.

## 5. Providing Paid Parental Leave to Federal Employees

**AFSCME Position: Yes**

The House passed the Federal Employees Paid Parental Leave Act of 2008 (H.R. 5781), which provides four weeks of paid leave to federal employees for the birth or adoption of a child.

### House Vote Number 428

AFSCME supported the bill, which the House passed by a vote of 278-146 on June 19, 2008.

## Fighting Wage Discrimination

**AFSCME Position: Yes**

The House approved the Paycheck Fairness Act (H.R. 1338), which would make it easier for women to seek legal remedies when they suspect that they have been victims of wage discrimination. The bill makes it clear that men and women should be paid equally for equal work and removes caps on the compensation a victim can receive from a discrimination lawsuit.

### House Vote Number 556

AFSCME supported the bill, which the House passed by a vote of 247-178 on July 31, 2008.

## Stimulating the Economy

**AFSCME Position: Yes**

The House passed the Job Creation and Unemployment Relief Act of 2008 (H.R. 7110), which would provide states with \$14.4 billion in fiscal relief by providing temporary additional federal support of state Medicaid programs, create jobs through a \$30 billion investment in infrastructure, and maintain a basic standard of living for families by extending unemployment benefits for Americans looking for work and providing \$2.6 billion for additional food stamp assistance.

### House Vote Number 660

AFSCME supported the bill, which the House passed by a vote of 264-158 on Sept. 26, 2008.
