

FREE COLLEGE

for members and their families.

AFSCME and Eastern Gateway Community College are offering the chance to earn an online Associate degree from an accredited school with no out-of-pocket expense. A college degree can be your pathway to new opportunities, greater responsibility, and more earning power.

Students who have completed a state approved Peace Officer Training program may be eligible for up to 33 credits towards your Criminal Justice degree. That's almost a year of work already finished! Receive up to 19 credits towards the Criminal Justice degree if you've completed a state corrections academy.

EASTERN GATEWAY
COMMUNITY COLLEGE

How does it work?

The Free College Benefit is a last dollar scholarship that fills the gap between the cost of tuition, fees and e-books at Eastern Gateway Community College and any federal, state or employer education grants for which you are eligible. It is a type of financial aid so students must comply with federal, state, and college academic and financial aid policies, which can be found on the EGCC website. In order to determine the amount of your scholarship, students first apply for and use any federal student aid awarded through the Free Application for Federal Student Aid. Even if it's determined that you are not eligible for any grants, AFSCME's last dollar scholarship has you covered. It will still be applied to your remaining balance for tuition, fees and e-books.

For step-by-step instructions on how to apply, visit freecollege.afscme.org.
