

Congressional Scorecard

114th Congress First Session • 2015

How to Judge a Member's Voting Record

AFSCME selects a few roll-call votes from the hundreds cast by members of Congress every session. In choosing these votes, AFSCME attempts to fairly represent a lawmaker's position on issues determined to be important to AFSCME members — first and foremost as workers, but also as citizens and union brothers and sisters.

This voting scorecard is one of the key factors used in making judgments on AFSCME campaign support, endorsements or contributions from PEOPLE — AFSCME's Political Action Committee, or PAC. Other important factors often include the member's official leadership position, seniority on important committees, leadership in a state's congressional delegation, and accessibility and responsiveness to AFSCME's lobbying efforts.

Visit AFSCME's website at afscme.org to obtain AFSCME weekly reports, letters to congressional members and votes. Questions concerning the selection of the votes or other aspects of a member's record are welcome. Write to AFSCME Department of Federal Government Affairs, 1625 L Street, NW, Washington, DC 20036-5687, or call 800-732-8120 or 202-429-5021.

American Federation of State, County
and Municipal Employees, AFL-CIO

2015 House Vote Descriptions

1. Undermining Job-Based Health Coverage

AFSCME Position: No

The SAVE Act (H.R. 30) would weaken employer responsibility to provide health coverage to workers under the Affordable Care Act, reducing the number of workers with employer-based health insurance. The bill would also increase the deficit. The bill passed on January 8 by a vote of 252-172. Roll Call vote 14.

2. Crippling Regulatory Protections

AFSCME Position: No

The Regulatory Accountability Act (H.R. 185) would cripple the ability of federal agencies to issue regulations to protect our health, the environment and to make our jobs more safe. The bill passed January 13 by a vote of 250-175. Roll Call vote 28.

3. Tax Breaks for Business

AFSCME Position: No

The bill (H.R. 636) would expand, and make permanent, selected tax breaks for businesses without offsetting the lost revenue by closing tax loopholes. The failure to offset the revenue loss would increase the federal deficit and increase pressure to cut federal spending that supports services carried out by state and local governments. The bill passed on February 13 by a vote of 272-142. Roll Call vote 82.

4. Nullifying Important Labor Rule

AFSCME Position: No

The National Labor Relations Board (NLRB) issued a regulation to help reduce delays in private-sector union elections and make them more transparent. House Joint Resolution 29 would nullify the NLRB regulation. The resolution was passed on March 19 by a vote of 232-186. Roll Call vote 128.

5. Republican Leadership Budget Cuts

AFSCME Position: No

The Republican Leadership Budget (H. Con. Res. 27) for fiscal year 2016 would cut tax rates for the wealthiest, while increasing the tax burden for millions of middle- and low-income families. The budget would make irresponsible cuts to Medicare and Medicaid and reduce investments in education and other vital services. The budget resolution passed on March 25 by a vote of 228-199. Roll Call vote 142.

6. Trade Promotion Authority or Fast Track

AFSCME Position: No

Trade Promotion Authority (H.R. 2146) provides that the Trans-Pacific Partnership and other trade agreements be considered under special “fast track” procedures, which prohibit Congress from amending a trade agreement. The bill passed on June 18 by a vote of 218-208. Roll Call vote 374.

7. Gutting Federal Regulations That Protect Health and Safety

AFSCME Position: No

The REINS Act (H.R. 427) would require that both chambers of Congress approve any major regulation issued by a federal agency before the regulation could be implemented. If Congress fails to act, the regulation could not take effect. This would bring a halt to regulations such as those designed to keep workplaces and our food supply safe, protect the environment and prevent banks from cheating consumers. The bill passed on July 28 by a vote of 243-165. Roll Call vote 482.

8. Eliminating Health Care Coverage

AFSCME Position: No

This bill (H.R. 3762) would gut the Affordable Care Act, causing millions to lose their health care coverage. It would also eliminate funding for public health services. The bill passed on October 23 by a vote of 240-189. Roll Call vote 568.

9. Rolling Back Retirement Security

AFSCME Position: No

This legislation (H.R. 1090) would block the Department of Labor (DOL) from issuing a regulation to help protect workers and retirees who participate in retirement savings plans established by their employers. The DOL regulation would require advisors/brokers to put the interests of workers and retirees ahead of their own interests when giving investment advice. The bill passed on October 27 by a vote of 245-186. Roll Call vote 575.

10. Eliminating Bargaining Rights

AFSCME Position: No

The Tribal Labor Sovereignty Act (H.R. 511) would exempt casinos, hotels, mines and other enterprises on tribal lands from the National Labor Relations Act. Workers employed by these enterprises would lose the ability to organize and have a voice in the workplace. The bill passed on November 17 by a vote of 249-177. Roll Call vote 633.
