Official Application Form

There's a reason AFSCME is the mightiest public service union in the country. It's because we're made up of the most dedicated, most passionate workers in the labor movement. We're passionate not only about our jobs and the communities we serve, but about the causes and values we've been fighting for since the 1930s.

Generations of AFSCME members have fought to ensure that workers have a voice on the job, that working class Americans have a say in our politics and that we can raise our families with dignity and retire with a measure of security.

And when we make gains, it's incumbent on us to pay them forward.

That's why we're proud to offer the AFSCME Family Scholarship – to invest in the futures of AFSCME members' children; to inspire the next generation of leaders who will fight for our values; and to recognize the contributions AFSCME families make to their communities.

We thank you for your interest in the AFSCME Family Scholarship and look forward to reading your application.

The AFSCME Family Scholarship Program is an ongoing program of scholarships available to children and financially-dependent grandchildren of full dues-paying AFSCME members. Ten scholarships of \$2,000 each are awarded annually to the winners selected from applicants who meet eligibility requirements. Once awarded, the scholarships will be renewed for \$2,000 each year for a maximum of four years, provided the student remains enrolled in a full-time course of study.

To be eligible for a scholarship the student must:

- Be a graduating high school senior who is the child of a full dues-paying AFSCME member or whose legal guardian or financially-responsible grandparent is a full dues-paying AFSCME member;
- At the time the scholarship is awarded, be accepted into a full-time degree program either at an accredited four-year institution or a two-year institution that will transfer credits to a four-year institution; and
- AFSCME has adopted a test-optional policy. SAT or ACT results are not required, but may be considered. (See page 3).

The scholarship may be used for any field of study.

HOW WILL THE SELECTION BE MADE?

The Scholarship Selection Committee, comprised of distinguished labor educators and professionals, will thoroughly examine all the application materials submitted by each scholarship applicant. In addition to the Official Application Form, the applicant's essay and the high school transcript, this independent selection committee will carefully consider any recommendations or other evidence (e.g., SAT or ACT results, high school activities or academic honors) of the applicant's character and abilities.

Based on the record of each applicant, the selection committee will then choose the 10 scholarship recipients and announce the winners by **May 15**. Every applicant will be notified in writing of the outcome of the selection process.

The decision of the selection committee is final.
